

To Postal Regulatory Commission

I David and my Wife Donna Willet do
Appeal the closing of our Lanagan Post
Office. We have had the same mail box for
Over 30 years.

If you think a closing is necessary we
would like the Post Office to be relocated to
the Lanagan City Hall. The city has showed
the interest in the relocation to City Hall.

Please don't close another small town
down find ways to help us.

Thank You
David & Donna Willet
